Dear Supporters,

It is with great pleasure to announce that Crisp County Power Commission is hosting our 2nd Annual American Public Power Week Golf Tournament. It is a pleasure to be able to serve the citizens of Crisp County as a Public Power Provider and we feel that this is a great way to raise support for a very important service provided to our community. With your support we hope that this event will be a success not only this year but years to come. This year's tournament will be held on October 11<sup>th</sup>, 2024 at Georgia Veterans Memorial Golf Course at Lake Blackshear. Registration is due by Friday, September 27, 2024.

We would like to encourage you to consider one of the sponsorship levels listed below. Your participation as a sponsor allows you to partner with CCPC in providing a donation from proceeds in-consideration-of National Breast Cancer Awareness Month to the oncology center at Crisp Regional Hospital. We know what an important asset the oncology center provides for our community as it plays a key role in providing close to home coordinated, personalized, and compassionate care with the latest treatment options.

How can you help?
